Green Waste Container: Items made of natural materials including holly, mistletoe, pine cones, and wreaths. *Christmas trees of natural pine must be broken down into three foot sections and put into your green waste container.*

Recycling is required by AB 341—California's Mandatory Commercial Recycling law. AB 341 requires all businesses that generate four or more cubic yards of waste weekly to recycle. To comply with AB 341, make sure your business has arranged for recycling services. If you have any questions about whether items are recyclable or not, contact IWS for guidance.
