RECYCLING AND YOU

When you recycle, less trash goes to the landfill, leaving us with more land for houses, schools, parks...and toy stores! Glass, aluminum cans, plastic bottles, paper and yard waste are some of the most common items that are recycled. Some cities provide special recycling bins to put your recyclables in; most cities have recycling centers where you can return your recyclables for money.

When you recycle, you help save important natural resources – like minerals, trees, water and oil. You also save energy and reduce pollution! Recycled materials then are turned into new products that you can use again. For example, recycled aluminum soda cans are used to make new aluminum soda cans. And recycled plastic soda bottles can be turned into everything from carpet to clothes! Used paper can be used to make new paper so fewer trees need to be cut down. And used glass bottles can be turned into new glass bottles, beautiful vases and even floor tile.

You and your family can buy these and many other products made with recycled material. When you go shopping at the mall or the supermarket, check the labels of the products you are buying to find out if they are made with recycled material. If you don't see recycled products, ask the store manager to stock those items. This way we can all truly close the recycling loop!

DIRECTIONS

For one or more players

1. Pick a game piece – like a bottle cap – to mark your progress.
2. Flip a coin. If it lands on heads move one space forward; tails move two spaces forward.
3. Complete the "R" and you're a Recycler.

RECYCLED PRODUCTS AND PACKAGING CHECKLIST

Here's a bunch of cool things made with recycled material. Look for them when you go shopping.

TOYS

- Coloring/activity books
- Yo-Yos
- Flying discs
- Teetertotters
- Playground equipment
- Art pads
- Board games
- Plastic building blocks

CLOTHING

- Shirts
- Jeans
- Shoes
- Snow jackets

- Gloves
- Belts
- Hats
- Wallets
- Purses
- Jewelry
- Backpacks

HOUSEHOLD ITEMS

- Futons
- Pillows
- Sleeping bags
- Linens
- Carpeting
- Glass tiles
- Counter tops

- Vases
- Picture frames
- Stationery
- Dustpans
- Patio furniture
- Bird feeders/houses
- Door mats
- Outdoor planters
- Gardening tools/rakes
- Paper towels
- Laundry detergent bottles
- Dishwashing detergent bottles
- Household cleaner containers
- Greeting cards

GROCERIES

- Trash bags
- Soft drink cans
- Soap pads
- Bath tissue
