

September 20, 2018

Dear Redrock Customer,

On August 21, 2018 the Board of Supervisors approved an increase to disposal fees at the Fairmead Landfill and North Fork Transfer Station. A letter from the Director of the Public Works Department of Madera County is on the reverse of this letter that includes details behind the adjustment. With the intent of clearing any confusion, we at Redrock would like our customers to know that the increase to your service rates is necessary to maintain the increase in our disposal rates. Redrock does not decide when the disposal rates go up nor do we profit from these changes. If you have any questions regarding your account, please contact our office during business hours. If you would like to learn more about Madera County Public Works Department's decision to increase the disposal rates, please contact the County at 559-675-7811. We thank you for your understanding during this transition.

Estimado cliente de Redrock,

El 21 de agosto de 2018 la Junta de supervisores aprobó un aumento de tarifa para la eliminación de basura en el vertedero de Fairmead y en la estación de transferencia de North Fork. Una carta del director del Departamento de obras públicas del Condado de Madera está de tras de esta carta que incluye detalles detrás los ajuste. Con la intención de despejar cualquier confusión, con Redrock quisiéramos que nuestros clientes supieran que el aumento a sus tarifas de servicio es necesario para mantener el costo de la eliminación de basura. Redrock no decide cuando aumentan las tarifas de desechos de basura ni nos beneficiamos de estos cambios. Si tiene alguna pregunta con respecto a su cuenta, por favor comuníquese con nuestra oficina durante las horas hábiles. Si desea obtener mas información sobre la decisión del Departamento de Obras Publicas del Condado de Madera de aumentar las tarifas de eliminación de basura, por favor comuníquese con el Condado al 559-675-7811. Le agradecemos su comprensión durante esta transición.

PUBLIC NOTICE

RE: Waste Collection Rate Adjustment- Effective October 1, 2018

Dear Madera County Residents:

This notice is to advise you of an adjustment to the solid waste disposal fees in Madera County. On August 21, 2018, the Board of Supervisors approved an increase to the tipping fees at the Fairmead Landfill and North Fork Transfer Station. Part of these increases changed the disposal rate for both franchise haulers (Redrock Environmental Group and Emadco Disposal Services) from \$40.00 per ton to \$55.00 per ton effective October 1, 2018.

This disposal fee increase is extremely necessary for the County to maintain and fund capital projects at the Fairmead landfill such as gas system upgrades, new baseliner construction, and enhanced environmental monitoring to remain in compliance with applicable regulations. In order for Madera County to continue providing you with relatively low cost and high level of trash collection services, we must absorb the cost of these projects and operating costs. Due to this disposal fee adjustment, the franchise haulers will consequently adjust their service rates beginning October 1, 2018. The increase will be approximately 6% and your franchise hauler will have updated rates tables included with your October invoices.

We understand the impact this has on our citizens and we truly apologize for the inconvenience of these changes.

Lastly, I would like to add that the franchise haulers do not control these disposal fees, nor financially benefit from them in any way. Should you have any questions regarding the rate adjustments, current landfill projects, or any other related topic, please feel free to contact the Public Works Department at the number listed above.

Best Regards,

Ahmad M. Alkhayat, PE, MBA
Public Works Director
